## Statewide Quarterly Report Template Tab 6: Historical Costs Final (updated 10-18-18)

### Instructions:

\*Each Program Administrator will fill out the "Historical Energy Efficiency Costs" table for Quarterly Reports.

\*For Costs, each Program Administrator should include actual costs incurred from the beginning of the Program Year through the end of the applicable quarter or Program Year, regardless of what Program Year the costs are associated with. Costs include both Program and Portfolio-Level Costs as well as On-Bill Financing costs.

### Ameren Illinois Service Territory Historical Energy Efficiency Costs as of 2019 Q3
